

This Voice.....This Spirit Attachment

-by B. Edwards

This voice  
this spirit attachment  
that goes by the name "Crystal"

recently  
she's been quoting  
a line from Hamlet  
to me quite a lot

out of the blue  
I'll hear her voice say  
"there are more things  
in Heaven and Earth  
than are dreamt of  
in your philosophy"

now maybe  
perhaps  
she's just saying this  
because I watched  
a film version of Hamlet  
a few weeks ago

maybe she liked the film  
I couldn't tell  
but maybe

perhaps she can relate  
to that line  
though I think  
it's more likely  
that she believes  
I should relate to that line  
to really let it sink in

I think it's an obvious message  
implying that this line  
yes.....this line is right on point
